Dear Sir:

COMMENT ON ATTACHMENT TO NOTICE OF ALLOWANCE

Two information disclosure statements were attached to the Notice of Allowance. One was inadvertently attached, and appears to relate to another patent application with a serial number close to that of this application. That IDS should not appear in this application. The other is the IDS submitted by applicant on the application filing date, which was previously considered by the Examiner on April 27, 2004.

The issue fee and issue fee transmittal are being transmitted herewith.
